Offering fantastic value for money is this lovely finca of 2.8 hectares which is flat and laid to olive trees. There is a legal house of three bedrooms, bathroom and living room/kitchen, attached garage/store, covered porch. Separate large casita for renovation. Further huge agricultural building of 250 sq.mts. There is a well for water but a power system would be required for electricity. Very good access directly from the tarmac road and ten minutes drive to the sea. Ideal for horses or a tourist venture.
